10 March 2014

More capacity to and from Japan as from 30 March 2014

Dear Customer,

Effective 30 March 2014, Air France-KLM-Martinair Cargo will be adding **Tokyo Haneda (HND)** to its schedule.

With central Tokyo less than 30 minutes away, Haneda airport is an ideal gateway to the distribution and industrial centers of the largest consumer market in Japan. The air cargo facility of Haneda airport is equipped to handle all your cargo shipments including temperature sensitive commodities.

Please check out Air France-KLM-Martinair Cargo's overall flight schedule to and from Japan here:
