## Air France-KLM-Martinair Cargo Adds Capacity to Brasilia (BSB)

Dear Customer,

Starting 31 March 2014, Air France-KLM-Martinair Cargo will initiate new scheduled service to **Brasilia** (BSB)\*, the federal capital of Brazil, including three weekly B777-200ER flights from Paris Charles de Gaulle.

The new route provides additional capacity to Brazil on top of our existing service to Rio de Janeiro, São Paulo, Viracopos and Curitiba. By adding new destinations to our network, we can offer more solutions to meet your needs and wishes.

Flt number	Aircraft type	From	To	Departure	Arrival	Day
AF 520	777-200 ER	Paris (CDG)	Brasilia (BSB)	13:30	19:10	1.3.5..

*\*For the moment the station will be open only for IMPORTS however we are working to also open the station for EXPORTS (for additional information, please contact your commercial department in Sao Paulo)*

### Book and fly on our inaugural flight AF520 on 31 March and get a chance to win a prize!

To celebrate the inauguration, we are offering you a chance to win a beautiful suitcase by entering our special contest. If you'd like to participate, please email the details of your shipments booked on AF520 flying on 31 March including your name, the name of your company and the air waybill number to [moderator@klm.com](mailto:moderator@klm.com) before 31 March. Five winners will be drawn at random!

Should you require any additional information, please do not hesitate to contact your local customer service or sales representative at Air France-KLM-Martinair Cargo. You can also find our flight schedules and other information on our website [www.afklcargo.com](http://www.afklcargo.com).

Yours sincerely,
