AIR FRANCE KLM MARTINAIR Cargo will discontinue its e-booking offer through GF-X.

Dear Customer,

We would like to inform you that we will discontinue the use of GF-X as one of our online booking services as per November 1st 2014. In order to put more focus on E-bookings and to better service your E-bookings with us, we have decided to intensify our relationship with CPS.

A subscription for CPS is free of charge. More information on how to subscribe can be found on the CPS website www.cargoportalservices.com. Also, we would like to inform you that together with CPS, we recently improved the functionality for spreadsheet bookings. You can use the spreadsheet for your weekly or monthly recurring bookings with us. More details and guidelines on the spreadsheet are available by clicking this [link](#).

If you are not yet using the services of CPS, we invite you to start exploring the E-services through this channel. Should you need more information or assistance, please contact your AIR FRANCE KLM MARTINAIR Cargo office.

Sincerely yours,

Eelco van Asch
