

LOCAL CONDITIONS ex Saudi Arabia from 01st Jan 2018

The present "Local Conditions" apply to all sales of air cargo transportation departing from Saudi Arabia, including services incidental thereto, by or on behalf of Air France Cargo and/or KLM Cargo (collectively referred to as "Carriers"). These Local Conditions specify the booking conditions and operational specificities which apply to the above-mentioned sales. It is reminded that transportation is governed by the Carriers' General Conditions of Carriage which are available at any Carriers' local Customer Service office or at [www.afklcargo.com](http://www.afklcargo.com). Local Conditions may be modified at any time. We advise you to check regularly for updates in particular before any new booking. All bookings for air cargo transportation are subject to the Local Conditions effective at the time of booking and imply their full and entire acceptance by the shipper or its representing agent (hereinafter referred to as "Customer").
