Power outage at Amsterdam Schiphol

Dear Customer,

In the morning of Friday, 27 March, a major power failure in the Province of North Holland disrupted operations at Amsterdam Airport Schiphol. KLM Cargo and Martinair Cargo's operations at Schiphol are up and running again and our teams are taking all the necessary steps to minimize the impact on your cargo business. Some flights have been delayed but none have been cancelled so far.

Should you require any further information, please do not hesitate to contact your local CSO.

Yours sincerely,

Eelco van Asch
