## 4. OBLIGATIONS :

In order to satisfy EU veterinary control regulation, transit through the animal station is compulsory for:

- Animals coming from third countries and travelling to EU countries (including mainland France) where the first point of entry into the EU is Roissy Charles-de-Gaulle
- Animals coming from third countries and travelling to other third countries via Roissy Charles-de-Gaulle.

Exempt from transit through the animal station: domestic animals accompanied by owners.

The following species of animals will be checked by customs if the conditions hereafter are respected:

- Dogs, cats, ferrets, invertebrates (except bees and crustaceans), ornamental tropical fish, amphibians, reptiles, birds (except poultry) and rabbits.
- If there are less than, or equal to, 5 specimens per AWB for private individuals with no commercial gain.
- If individuals can prove that they have travelled with the animal, or 5 days before or after said animal, upon presentation of the boarding pass.
- If the final destination is Roissy Charles-de-Gaulle or Province only

Please note that following the publication of 14 August 2015 in the Official Journal of the European Union, the Roissy Charles-de-Gaulle animal station is authorized to handle all types of animals, except venomous species, at import and export.
