

LOCAL CONDITIONS ex the Netherlands FROM January 1st, 2024

The present “Local Conditions” apply to all sales of air cargo transportation departing from the Netherlands, including services incidental thereto, by or on behalf of Air France and/or KLM (collectively referred to as “Carriers”). These Local Conditions specify the booking conditions and operational specificities which apply to the above-mentioned sales. Local Conditions may be modified by the Carriers at any time and with immediate effect. We advise you to check regularly for updates in particular before any new Booking.

It is reminded that the carriage of cargo is governed by (i) the conditions of the Contract of Carriage displayed on the back of the Air Waybill, (ii) Carriers’ General Conditions of Carriage for cargo (“GCC”), (iii) General Conditions of Sale (“GCS”), (iv) the Specific Conditions of Sale agreed with Carriers, if any, and (v) Carriers’ Local Conditions (“LC”). Those documents altogether qualify as the “Agreement”. In the event of discrepancies and/or inconsistencies, the order of precedence (i) to (v) will apply, unless expressly stated otherwise. GCC and GCS can be consulted at your Local Customer Office or on www.afklcargo.com and MyCargo. All bookings for air cargo transportation imply full and entire acceptance of all above mentioned document by the shipper or its representing agent (hereinafter referred to as “Company”).

All capitalized terms used but not defined herein shall have their respective meanings set forth in the GCS.

1. APPLICABLE RATES

- “All in Rates”: Air cargo transportation rates based on the booking information, excluding any applicable taxes, levies, fees and Other Charges (e.g. related to screening, customs, DGR handling, etc.).
- Rates may be adjusted in the event of any change of the booking details.
- Applicable rates, taxes, duties, fees and Other Charges are available at the Carriers’ local Customer Service office and may be modified at any time. We advise you to consult them regularly, in particular prior to making a booking.

2. BOOKING CONDITIONS

- Booking should be made in accordance with the terms of the Agreement, and more particularly with article 2 “Booking” of the GCS.
- Bookings should be made either online through MyCargo, by email or telephone using the contact details shown below.

Customer Service and booking platform contacts	
E-booking	myCargo, booking portals or direct connection (system-to-system)

3. ACCEPTANCE POLICY

- Company is responsible for tendering shipments to Carriers "READY FOR CARRIAGE" in accordance with the terms of the Agreement and more particularly with article 7 "Export Control and Sanctions Laws" of the GCS.

Conditions for delivering "Ready for Carriage":

- A. Before offering an outbound (export) consignment, KLM Cargo or Menzies have to receive a correct and fully completed electronic airway bill (eAWB)* in accordance with IATA-TACT rules and IATA technical specifications. KLM Cargo or Menzies must be able to verify the presence and completeness of the information received at consignment level via eLink**.
- B. Before the consignment is delivered, all customs formalities for export and re-export must have been met digitally. KLM Cargo or Menzies must be able to verify the presence and completeness of this information at consignment level via eLink**.
- C. The consignment must be offered on pallet(s)*** in one lot to KLM Cargo or Menzies warehouse floor or on the load bed at the rear of the delivering vehicle.
Exception: ULD's (BUP's) that are stated as such on the airway bill (AWB or eAWB/FWB)*.
- D. Each consignment must be delivered in such a manner that the number of pieces, the weight and all labels can be checked on accordance with the airway bill. The consignment must also be controllable on damage and must be in accordance with IATA Regulations.
- E. The consignment's status must be 'Secure' in accordance with the applicable EU Regulations upon the day of delivery. The Aviation Security information should be indicated electronically in the eAWB/FWB* in accordance with IATA's technical specifications or submitted via one of the alternative methods for submitting an eCSD. KLM Cargo or Menzies must be able to verify the presence and completeness of this information at consignment level via eLink**.
- F. The consignment is digitally pre-notified via eLink** including the license plate number of the delivery vehicle and the driver's (ACN) card number. The ground handler must be able to verify the presence and completeness of the Digital Pre-Notification at shipment level via eLink**.

If the consignment is not compliant with the regulations above, KLM Cargo or Menzies can choose to either refuse the consignment or to correct it in accordance with the applicable local conditions, a (NRFC) handling fee could be applied in case of corrections made.

KLM Cargo or Menzies and driver can indicate the code of non-compliance to the RFC rules in eLink** by mentioning an "e" code (category A-F mentioned above) or on a cargo delivery list signed by both parties.

Advance notification of the arrival of a "Not Ready for Carriage" delivery does not make the consignment concerned "Ready for Carriage".

-

* Exception to the use of eAWB (as defined on IATA website/IATA Multilateral Resolution 672) is that bilaterally it may be agreed that, temporarily, the FWB is sufficient (without EAP/EAW). (most recent version Cargo-IMP/Cargo-XML/ONE Record or version immediately preceding the latest)

** eCargo Receipt/eLink or comparable (community) systems.

*** In accordance with legislation and regulations.

- Specific guidelines may apply per product, which may be consulted at Carriers' local Customer Service offices. Shipments must be tendered before the latest acceptance time (referred to as "LAT") shown below, please note different conditions apply to KLM Cargo and Martinair Cargo as stated in below tables.
