Embargo to Lagos (Nigeria) with immediate effect and until further notice

Dear Customer,

A global congestion of air cargo shipments at the airport of Lagos (LOS) is impacting cargo operations of many carriers. As a consequence we are currently not able to deliver your shipments as planned. Therefore, we have put an embargo on all cargo with immediate effect and until further notice, from all AF-KL-MP Cargo and Alitalia Cargo network stations.

Exceptions to the embargo are on Human Remains, Live Human Organs, Diplomatic Cargo, Mail, Equation, Hatching Eggs and Perishables.

We apologize for any inconvenience this may have caused.

We will keep you informed. Should you require any additional information, please do not hesitate to contact your local Customer Service or Sales representative at Air France-KLM-Martinair Cargo.

Sincerely yours,

Eelco van Asch
