AIR FRANCE KLM MARTINAIR Cargo increases its main deck offer to Dubai International Airport (DXB)

Starting 10 January 2015, AIR FRANCE KLM MARTINAIR Cargo will add three extra B747 Combi frequencies from Amsterdam Airport-Schiphol (AMS) to and from Dubai International Airport (DXB). It offers increased flexibility to carry your main deck commodities to our hubs, Dubai International Airport (DXB), and to Al Maktoum Airport (DWC) which our freighters already use.
