

Press Release

Schiphol, 21 March 2018

What is NEW in our summer 2018 schedule?

AIR FRANCE KLM MARTINAIR Cargo will operate its new summer schedule from Sunday, 25 March 2018 to Sunday 28 October 2018.

With our modern fleet of long-haul passenger aircraft and full freighters, we are able to offer vast capacity from our two hubs, Paris Charles de Gaulle and Amsterdam Schiphol, on around 1,115 weekly services to 116 unique destinations across our global network.

We are committed to expand our network each season with attractive new opportunities. For this summer, we are proud to announce the start of some highly attractive new scheduled services:

- From **Paris Charles de Gaulle (CDG)** we offer you new services to **Taipei (TPE) – Taiwan** on our 777-200 (3x/week), to **Nairobi (NBO) – Kenya** on our 787 Dreamliner (3x/week) and to **Seattle (SEA) – USA** on our 777-200 (5x/week). We will also continue our services to **San José – Costa Rica**, which we successfully started last winter.
- Also from **Paris Charles de Gaulle** we will operate new services on the A340 by our subsidiary company **JOON** to **Mahé – Seychelles** (3x/week) and to **Fortaleza – Brazil** (2x/week).
- From **Amsterdam Airport Schiphol (AMS)** we will also start a new service to **Fortaleza – Brazil** on our A330-200 (3x/week). To **New York (JFK) – USA** we will increase our capacity with an extra (almost) daily flight. Last but not last we will continue this summer our services to **Mumbai (BOM) – India** (787 Dreamliner 3x/week), which we launched last winter.
- In cooperation with our joint venture partner **Delta Cargo** we offer ample cargo capacity on their North Atlantic routes to/from Europe. New in this scheme from **Amsterdam Schiphol** are direct services to/from **Los Angeles** and **Orlando**. From **Paris Charles de Gaulle** to/from **Indianapolis** and **Los Angeles**.

AIR FRANCE KLM MARTINAIR Cargo is committed to offering the best network possibilities to the freight market.

=====

Company profile

The Air France KLM Group is a global airline group with a strong European base. Its main areas of business are passenger transport, cargo transport and aeronautical maintenance.

AIR FRANCE KLM MARTINAIR Cargo is the Air France KLM Group's dedicated air cargo business. Our three airlines offer the industry more than 1,100 weekly frequencies to 116 destinations. In 2017, AIR FRANCE KLM MARTINAIR Cargo transported 1.1 million tonnes of cargo. In addition to the Group's global network of passenger aircraft, we offer cargo main deck capacity on 2 Boeing 777 Freighters, 4 Boeing 747-400 Freighters and 6 Boeing 747-400 Combi aircraft.

Air France Cargo and KLM Cargo and our hubs (CDG and AMS) are IATA CEIV certified, providing service excellence to the pharmaceutical industry.

Air France KLM Cargo is a member of SkyTeam Cargo (www.skyteamcargo.com) offering an even larger network coverage.

Special partnerships include China Southern Cargo, Delta Cargo, Jet Airways Cargo and Kenya Airways Cargo.
