

Press Release

For immediate release

Schiphol, 21 March 2019

AIR FRANCE KLM MARTINAIR Cargo will operate its new summer schedule from Sunday, 31 March 2019 to Sunday, 27 October 2019.

With our modernized fleet of 164 long-haul passenger aircraft and 6 full freighters, we are able to offer vast capacity from our two hubs, Paris Charles de Gaulle and Amsterdam Schiphol, on around 1,100 weekly services to 124 unique destinations across our global network.

We are committed to expanding our network each season with attractive new opportunities. For this summer, we are proud to announce again the start of some highly attractive new scheduled services:

- **NEW** to the USA from Amsterdam Schiphol (AMS): Boston (BOS) 4x/week and Las Vegas (LAS) 3x/week.
- **NEW** from Paris Charles de Gaulle (CDG): Quito (UIO) 3x/week, Dallas (DFW) 5x/week and a second flight (3x/week) to Toronto (YYZ) to 10x/week.
- More frequencies and/or bigger aircraft from AMS to e.g.: JFK (20)*, LAX (13), SFO (12), ORD (7), SLC (3), NRT (10), PVG (12), ATL (777-300), YVR (777-300), JNB (777-300).
- More frequencies and/or bigger aircraft from CDG to e.g.: SFO (14), IAD (14), ORD (7), YUL (21), YYZ (10), LIM (7), NBO (5), IAH (777-300), PEK (777-300), JNB (777-300).
- In cooperation with our joint venture partner Delta Cargo, we offer ample cargo capacity on their North Atlantic routes to/from Europe.
- Through our global interline partnerships, we are also able to offer various destinations on top of our own network

**(20) = number of frequencies/week*

AIR FRANCE KLM MARTINAIR Cargo is committed to offering the best network possibilities to the freight market.

=====

Company profile

The Air France KLM Group is a global airline group with a strong European base. Its main areas of business are passenger transport, cargo transport and aeronautical maintenance.

AIR FRANCE KLM MARTINAIR Cargo is the Air France KLM Group's dedicated air cargo business. Our three airlines offer the industry more than 1,100 weekly frequencies to 124 destinations. In 2018, AIR FRANCE KLM MARTINAIR Cargo transported 1.1 million tonnes of cargo. In addition to the Group's global network of passenger aircraft, we offer cargo main deck capacity on two Boeing 777 Freighters, four Boeing 747-400 Freighters and six Boeing 747-400 Combi aircraft.

Air France Cargo and KLM Cargo and our hubs (CDG and AMS) are IATA CEIV certified, providing service excellence to the pharmaceutical industry.

Air France KLM Cargo is a member of SkyTeam Cargo (www.skyteamcargo.com) offering an even larger network coverage.

Special partnerships include China Southern Cargo, Delta Cargo, Jet Airways Cargo and Kenya Airways Cargo.
